			I hope to convince you of the merits of caffeine overdose one day	Love your revised medieval ranking system!	Thanks for setting up our regularly scheduled team meeting times	Awesome Microsoft Paint illustration skills	

We all seem to socialize with each other just fine. I don't expect any difficulties as the semester progresses.

We don't have specific roles per se, yet. We just offer and pick up to do whatever tasks needs doing.

Slack seems to be the best way for us to communicate outside of our Tuesday weekly team meeting.

Everyone is still acclimating themselves to Android Studio, Git, Trello, etc.
